2013 Vistalba Corte B

Our 2013 Corte B displays a beautiful garnet red hue. The bouquet is bursting with aromas of raspberry, wild plum, seasonal spice, and hints of Bourbon Vanilla. A delight to the palate as the mix of aromas is matched in each sip; lively and vibrant red fruits, smooth, velvety tannins, and hints of cocoa complement the good body and lengthy, elegant finish.

TA: 5.57 g/L | RS: 2.0 g/L | pH: 3.7
Winemaker: Alejandro Canovas

Bodega Vistalba

Founded in 2001 by Carlos Pulenta, who comes from a multi-generational winemaking and winegrowing family beginning with his father in Italy, to vineyards in Argentina decades later. Bodega Vistalba crafts the blends identified as Corte A, Corte B, and Corte C, each characteristic of the terroir and obtained from the best grapes of that harvest. The blends are produced with great aging potential in mind. They are made with Malbec, Cabernet Sauvignon and Bonarda grapes from estate vineyards in Vistalba, Luján de Cuyo. The climate conditions and the labors performed in each of the vineyard blocks define the structures of the grapes to be used in the individual blend. The grapes are fermented separately in concrete vessels. Each blend is finalized after fermentation, and moved into French oak barrels to start the aging process.
