## 2014 Vistalba Corte C

The 2014 Corte C is a fiery ruby color in the glass. On the nose you are greeted with eucalyptus and black licorice, typical of the Malbec varietal, and hints of cedar imparted from the time spent in oak. A velvety entrance delights the palate, followed by juicy fruit flavors and luxurious, soft tannins. Good aging potential.

### Bodega Vistalba

Founded in 2001 by Carlos Pulenta, who comes from a multi-generational winemaking and winegrowing family beginning with his father in Italy, to vineyards in Argentina decades later. Bodega Vistalba crafts the blends identified as Corte A, Corte B, and Corte C, each characteristic of the terroir and obtained from the best grapes of that harvest. The blends are produced with great aging potential in mind. They are made with Malbec, Cabernet Sauvignon and Bonarda grapes from estate vineyards in Vistalba, Luján de Cuyo. The climate conditions and the labors performed in each of the vineyard blocks define the structures of the grapes to be used in the individual blend. The grapes are fermented separately in concrete vessels. Each blend is finalized after fermentation, and moved into French oak barrels to start the aging process.
