- ◆ Bodega Garzón is close to Punta del Este, La Barra and Jose Ignacio, the Uruguayan Paradise at its best, with mesmerizing landscapes, and the perfect combination of past, present and future.

Located only 11 miles from the Atlantic Ocean, numerous small vineyard blocks cover the slopes and hills and benefit from varying micro-climates and different levels of humidity and canopy management. This allows the vines to develop with maximum exposure to the sun providing rich fruit. The vineyards are surrounded by an extensive forest, rocky soils, boulders and natural palms.
