

BODEGA GARZÓN URUGUAY

Modern Vineyards. Historic Land.

Tannat

Vintage 2013

This red wine represents the signature Uruguayan varietal that has found its ideal soil in Garzón. The expression of our Tannat is an intense red and black fruit wine with a lingering and lush aftertaste.

Elegant and powerful, this wine greets you with beautiful aromas of raspberry and red cherry followed by delicious flavors of black plum, rhubarb and tobacco mixed with dark chocolate and white pepper. It has a finish that presents a brilliant tension between silky tannins and supple fruit.

Bodega Garzón is close to Punta del Este, La Barra and Jose Ignacio, the Uruguayan Paradise at its best, with mesmerizing landscapes, and the perfect combination of past, present and future.

Located only 11 miles from the Atlantic Ocean, more than 1,000 small vineyard blocks cover the hillside slopes and benefit from varying micro-climates, different levels of humidity, and intense canopy management. This allows the vines to develop with maximum exposure to the sun providing rich, expressive fruit. The vineyards are surrounded by forest, rocky soils, boulders and natural palms. The winery's design intent is innovation and sustainability.

The Greatest Wines of the World are produced where a grape varietal finds the ideal conditions to express itself in a natural and authentic way. At Bodega Garzón, we craft wines that result from the perfect integration of terroir and different varietals.
